Sir,

Sub: Industries - Sericulture - Government Silk Filatures, Kollegal - Experimental weaving section - continuance beyond 31-3-1951 - proposals.

Ref: G.O.Ms.No.982, Development dated 11-3-1950.

The sanction accorded for the continuance of the experimental weaving section attached to the Government Silk Filatures, Kollegal in G.O. No.982, Development dated 11-3-50 expired by 31-3-51. The present handloom weaving section consisting of 12 handlooms has been working satisfactorily as can be seen from the statement below of the profits realised since inception.

| Year | Profit. |
|---|---|
| 1948-49 | Rs.4251 (audited) |
| 1949-50 | 1969 do |
| 1950-51 | 1739 (unaudited) |

I have already explained in this office No.4085-D1/51 dated 12-9-1951 that the demand for the fabrics produced on the Handlooms is increasing day by day and proposed the installation of 12 additional handlooms in the Government Silk Filatures, Kollegal. I have also submitted therein an estimate of expenaidute for working all the 24 handlooms i.e. (the existing 12 handlooms and the 12 additional handlooms proposed) The retention of the handloom weaving section would be necessary even after the installation of the power looms sanctioned in G.O.No.4025, Development dated 8-9-51 as some varieties of silk fabrics can be produced only on handlooms due to special nature of Border designs etc. I therefore request that Government may be pleased to sanction the continuance of the existing weaving section consisting of 12 handlooms for a further period of one year from 1-4-51 or till the date of sanction of the proposals for working 24 handlooms submitted to Government in this office letter No.4085 D1/51 dated 12-9-51 whichever is earlier.

for Director of Industries and Commerce.
